Dear Manoj,

A heartfelt Thank You note from BT Gurgaon, Contract Design Hub for the wonderful session you delivered on some vital and most sought after topics in today's life of dramatic distractions. Audience was thoroughly engaged and fascinated with the delivery and real life examples you brought to the open conversations. This indeed enlightened almost every one of us and we hope to bring substantial changes to our lives from the learnings you offered.

Key topics which received collaborated applause were "Finding your Happiness centre", "Cause vs. Root Cause debate" & "Stress Free Living"

Thanks a ton and keep elevating more lives wherever you go!

Regards,

Mridul
